

May 2009

Dear UCC friends,

Thank you for the nice cards, gifts, and words of thanks you have given to me upon my stepping down from serving as Chair of the Western Association of the Missouri Mid-South Conference, United Church of Christ.

It has been an honor to travel here and there around Missouri and meet so many of you in your local church settings. The opportunity to engage with the Committee On Ministry and participate in the many workshops and meetings designed for the UCC clergy and lay persons has been enlightening and rewarding.

I wish your new Chair, Linda Stenger and all of you the best in your work for the Association and the UCC.

Peace,

Jerry Cundiff
