

LENTEN Work Day

Saturday - March 27, 2010

at **CAMP MO=VAL**

FOCUS ⇒⇒⇒ **SKILLED LABOR**

Carpentry, Electrical, Painting, Plumbing

FOCUS ⇒⇒⇒ **GENERAL LABOR**

This is a great opportunity for families, youth groups, adult groups and even whole churches to lend a helping hand with the maintenance of these facilities! Projects vary, depending on the skills of those involved and the weather, but a tired muscle or two and a great sense of satisfaction are guaranteed. The work isn't glamorous, but it really does make a **BIG DIFFERENCE!** The last four years, an average of 70 workers turned out to make this annual event a great success!

IF THIS DATE DOESN'T WORK FOR YOU OR YOUR GROUP, check your calendar and call the camp office. We can explore alternative dates.

Lunch and supplies are provided, but call ahead to reserve a spot and let us know about special skills.

Whatever tools and professional equipment you can bring will be greatly appreciated.
